Mason Gary, Superintendent

February 23, 2016

Dear Parents:

Anderson School District Three's artistic program for gifted and talented students (A.P.P.L.E. Art) is specifically designed to provide appropriate artistic instruction beyond that available in the regular art classroom.

Anyone wishing to nominate a student should complete the nomination form on the reverse side. After completing the nomination form, elementary students should return it to their classroom teachers. Middle and high students should return it to their art teacher. These forms must be returned by Monday, March 14, 2016.

To be considered for placement in the program, nominees must submit an art portfolio. District art teachers will meet with nominated students to discuss the requirements for the portfolio. The art teacher's recommendation will be considered along with the judge's score. Students whose portfolios meet the district standard will then be admitted to the program at the beginning of the 2016-2017 school term. Students who do not submit the required portfolio will not be considered for placement in the program.

Sincerely,

Kathy D. Hipp
